SUPERVISOR HAAS INVITES PUBLIC TO HUMBOLDT PARK FOR EXCITING WEEKEND Final Days of Beer Garden Coincide With Annual Pumpkin Pavilion

The first season of the Humboldt Park Beer Garden will come to a close during one of the park's biggest annual events - Pumpkin Pavilion.

Nearly 1,000 jack-o-lanterns carved by Bay View neighbors will be lit and on display starting Friday night. There will be games, hay rides and live music both Friday and Saturday night, October 17th and 18th. The Bay View Neighborhood Association, which sponsors Pumpkin Pavilion, requested the Humboldt Park Beer Garden be open during the event.

"I'm excited the beer garden has been so successful that we can combine it with Pumpkin Pavilion to further showcase Humboldt Park as not only an important part of Bay View but the entire county," Supervisor Jason Haas said.

The Humboldt Park Beer Garden opened in June and has been a popular spot in Bay View since the first keg was tapped. The contract guaranteed the beer garden would be open for one season, but there are already talks to keep it in place at least through next year.

"I'm excited to see what the future holds for the beer garden and the Humboldt Park Pavilion," Supervisor Haas said. "It's been big hit in the community and I'm glad to have played a role in bringing this taste of Germany to Bay View."
